Important Information—PLEASE READ

A change in government legislation regarding data protection called The General Data Protection Regulation (GDPR) came into effect in May 2018. As a Club, we, Amber Valley & Erewash A.C. and our national governing body, England Athletics, have to ensure compliance with this legislation. When you (or your child) become a member of the Club, or renew your (or your child’s) membership, your personal data (or that of your child) is transferred to England Athletics.

When you become a member of, or renew your membership with Amber Valley & Erewash A.C. you will automatically be registered as a member of England Athletics. The Club will provide England Athletics with your *Athletics Data** which they will use to enable access to an online portal for you (called *MyAthletics*) England Athletics will contact you to invite you to sign into and update your *MyAthletics* portal (which, amongst other things, allows you to set and amend your privacy settings)

It is vital, therefore, that a valid eMail address is given, so that you can ensure that your data is correct and so that you can set your own privacy settings

If you have any questions about the continuing privacy of your personal data when it is shared with England Athletics, or the Club’s privacy policy, please contact dataprotection@englandathletics.org or ask to speak with the relevant person at AVEAC for clarification.

**Athletics Data can be defined as your name, date of birth, gender, URN number, email address, telephone number, names of the England Athletics affiliated clubs that you are a member of and details of any coaching or officiating licenses you hold*

We ask you on page one of the AVEAC membership form to give a valid email address. You / your child will, from time to time, be contacted directly by eMail by a club administrator (for example a coach, a team manager, the membership secretary) In the vast majority of cases this will be to communicate news that we think will be of benefit to you / your child. For example, notifying you of AVEAC team selection, county team selection, newsletters and club news, forthcoming competitions, changes to training and so on. The club does not engage in passing on membership contact details to any other organisation (other than England Athletics) If you have any queries about the Club’s procedures please speak to a registration desk volunteers

A note about Volunteering....

Amber Valley & Erewash Athletics Club is run solely by volunteers, who all started when their child became a member of the club. Every volunteer helps in small ways to enable the club to become a success
